

## 6 STEPS TO BECOMING A PROFESSIONAL INSPECTOR

### 1 Complete Core Inspector Classes at Champions School of Professional Inspection®

Complete 194 Education hours to become a Professional Home Inspector. These hours are broken down into National and State.

#### 110 National Education hours include the following:

- 40-Hour Property and Building Inspection Module I
- 40-Hour Property and Building Inspection Module II
- 20-Hour Analysis of Findings and Reporting
- 10-Hour Business Operations and Professional Responsibilities Module

#### 84 State Education hours include the following:

- 24-Hour Texas Standards of Practice Module
- 20-Hour Texas Law Module
- 40-Hour Texas Practicum

**Please Note** - We recommend completing the 110-Hour National courses first, then filing your application with TREC to become eligible for the National portion of the State Exam. However, you may continue on with the State portion of the program and take both the National and State portion of the State Exam at the same time. You cannot take the State portion before the National portion.

**Please Note** - A Real Estate Inspector must work under a Professional Home Inspector and cannot work on their own.

### 2 Submit Professional Inspector License Application and Educational Documents to TREC

Once you have completed the 110 hours of National Education hours at Champions, you will need to submit your certificates of completion, Inspector license application, application fee, and if applicable, experience records to the Texas Real Estate Commission by mail.

The application fee for a Professional Inspector license is \$120 and should be paid by cashier's check, personal check, or money order payable to the Texas Real Estate Commission. Mail your documentation to: Texas Real Estate Commission, PO Box 12188, Austin, Texas 78711-2188

### 3 Take the National/State Exam Prep Course at Champions School of Real Estate®

While waiting for your the application to be approved, our Exam Prep course is the perfect tool to keep your knowledge fresh and help you prepare for the exam. You may retake the course as many times as you like for one year at no additional charge!

### 4 Get Your Fingerprints taken and Pass a Background Check

You are required by law to have fingerprints ([www.trec.texas.gov/fingerprint-requirements](http://www.trec.texas.gov/fingerprint-requirements)) on file with the Texas Department of Public Safety (DPS) so a background check can be performed. Fingerprints from other agencies will not be accepted.

**Please Note** - A license will not be issued if the background check has not been passed. Expect a delay if you are notified of an investigation into your background history.

### 5 Pass the National and State Exam within one year of filing application with TREC

The final step in obtaining your license is to pass the State Exam within one year of filing your application. Go to the Prep page to learn all the details about the Professional Inspector National/State Exam. Costs of the exam:

- **National Exam - \$199. Exam fee is due at time of scheduling**
- **State Exam - \$55. Exam fee due at time of scheduling**

In order to take the National or State exam, your application must first be approved by the Texas Real Estate Commission. Upon approval, you will receive an Exam Candidate Handbook that will include instructions explaining how to schedule your exam. You cannot take the State portion before the National portion.

Annually complete your Inspector Continuing Education requirement by completing 32-Hours of Continuing Education every 2 years (must be different courses). We recommend that you take your education from Champions School of Real Estate® and submit your renewal application and pay the renewal fee to TREC. The 32 hours of continuing education must include 4 hours of Inspector Legal & Ethics and 4 hours of Standards of Practice Review.
